## NEWARK TOY APPEAL

We are going to have to do things a little differently this year... but here's how you can support the Newark Toy Appeal....

"I don't need to tell you that the Toy Appeal is going to be a significant undertaking and logistical challenge this year. Lockdown will make it more difficult for gifts to be purchased and delivered to the Salvation Army church building in Balderton. Ideally, we would like gifts at the church by the 5th December (for us to quarantine them ready to be distributed over the following 2 weeks).

We suggest a few options:

- Purchase online and get it delivered to the church directly.
- Give a donation online (please email [newark@salvationarmy.org.uk](mailto:newark@salvationarmy.org.uk) for details) or drop a donation off at church.
- Drop off gifts at church between 9am and 3pm – there will be black boxes outside the building to do this but please ring the bell so that we know you have dropped them off.

(We have received notification that you are allowed to drop gifts of for this purpose during lockdown if you are able) If you want to know more please call 01636 640097 or email [newark@salvationarmy.org.uk](mailto:newark@salvationarmy.org.uk)

Thank you, Matt Elsey - Church Leader for Newark SA"

## **GUTTERS AND DRAINS**

Saturday 28th November

Unfortunately this event can not take place as planned. However, there are jobs that do need doing.

You are invited as an individual or as a family bubble to do your bit of socially distanced clearance. Please contact Ian Lawrence by email/phone to "book" a time slot sometime in the last week of November so you do not clash with another bubble. Ian can give some direction on what needs to be done.

Don't be put off if you're not great with a needle and thread. We're hoping for this to be an authentic lockdown story to keep as a reminder of these strange times.
