Christian Aid Week Appeal 10 - 16 May 2021

***Climate chaos is one of the greatest injustices we face.
Together we STOP this climate crisis.***

Droughts are now more frequent and more intense due to the climate crisis. Millions of people in Kenya, are struggling to get enough food and water.

Please pray for Christian Aid Week

Great God, who makes the sun to rise and opens the heavens,
Hear the cry of the people,
People who sow in hope for rain, but reap only despair.
Hear the cry of the people,
People seeking shelter from the storm, their homes and hopes submerged.
Hear the cry of the people,
When creation is hitting back, with rage and resistance,
Give us hope, grant us salvation,
Give us a new relationship with creation
With reverence to tend this gift from you,
And say once again of the earth and all you created:
"It is good".
